

OADCPH takes part in the 3rd Global Disability Summit

We are pleased to announce OADCPH's participation in the **3rd Global Disability Summit (GDS) in Berlin !**

🙏 Thanks to the support of **ATscale** and **GIZ**, we will be present at the summit and at the exhibition “Assistive Technology: Transforming Today and creATing futures”.

💛 Together, let's work to strengthen health, education and social protection systems so that assistive technologies reach everyone in need.

Strengthening
**health, education, and
social protection
systems** ensures that AT
reaches those who require it.
